

BIG IDEA

What are you going to do with what God has been saying during the Reclaim series?

SUMMARY

The Reclaim series has been significant and timely in the life of our church. As we walk through life, the areas we once had freedom in seem to get lost. During this series we have said it's time to take those things back in Jesus' name. We have reclaimed our relationship with God, our hearts, our passion, and our freedom. Now it's time for us to stop and honor what God has asked us to do by responding in obedience.

KEY POINTS

1. What are you going to do with what God has been saying?

"Faith is not a feeling; it's moving forward in the confident expectation of the goodness of God."

"We actually have to move and respond in obedience."

"There is nothing in your life that is too far gone that it can't be reclaimed in Jesus name."

"If you reclaim your relationship with God He will help you reclaim everything else."

What is the Holy Spirit saying to you, and what is your next step?

ENGAGEMENT POINT

This week, grab a journal, take some time in quiet and write, "God, how do you want me to respond to what you have been doing?" Listen for God's voice and write down what He says. Then take one next step to reclaim the ground that has been lost.
