DISCUSS

1. These are the five phases that describe our relationship with Jesus: anticipation, honeymoon, normalcy, apathy, heart of a king. Where are you today in your relationship with Jesus?
2. What's the one thing you used to do when you were passionate about Jesus that you need to do again?
3. How are you going to move forward in faith this week?

READ

- Psalm 51:10-17
- Where has apathy slipped into your heart and where do you need to repent and confess to begin the heart work?

PRAY

Ask Jesus for the passion and strength to do the heart work and move forward in faith.
