

Weekend Message on January 17, 2021

DISCUSS

1. What was the last next step you took and when did you take it?
2. Where is God asking you to engage again? What are you going to do about it?

READ

- John 15:1-4
- What type of branches are being pruned in this passage? And, why? As you've experienced pruning in your life, are you beginning to see new growth? Do you believe the Gardener is good?

PRAY

Ask for the courage and strength to take the next step God has for each of us.
