DISCUSS

1. Your circumstances are not your whole story, but just one paragraph. Have you accepted the invitation from Jesus to put your paragraph into His story? If so, describe how your identity has been restored, your relationship reconciled, and your purpose redeemed.
2. Is Jesus the hero of your story or are you? Where are you trying to be the savior of your life?
3. After experiencing The Story, what does it mean to you? And, what are you going to do about it?

READ

- Romans 5:18-20
- Is there anything keeping you from fully receiving the righteousness of God (being in right standing with God)? If so, what is it?

PRAY

Express gratitude for who Jesus is and what He has done in your life.
