## DISCUSS

1. Who are you becoming? What evidence in your life points to growth, maturity, and development in the character and power of Jesus?
2. Why can we struggle having a relationship with God?
3. When was the last time you enjoyed God? How can you rearrange your day to spend 90 seconds each morning enjoying Him?

## READ

- Matthew 11:28-30 (The MSG translation)
- Take note of the number of times the word “with” is used in this passage. How is “with” a clue to learning the unforced rhythms of grace?

## PRAY

God, may we learn your heart and carry it into the world.
